Date	Time	Topic
Thursday, January 4	12:00 pm Eastern 11:00 am Central 10:00 am Mountain 9:00 am Pacific	Managing Difficult Behaviors with Evalyn Greb, LCSW <i>Has your loved one's behaviors become more difficult lately? This session will help participants find out why difficult behaviors happen and describe some coping strategies for a variety of the more common ones. You'll be able to share your questions, techniques, and tips with other caregivers in a meaningful way.</i>
Tuesday, January 16	1:00 pm Eastern 12:00 pm Central 11:00 am Mountain 10:00 am Pacific	Legal Issues for Caregivers with Carol Bertsch, Elder Law Attorney <i>Carol Bertsch is a practicing elder law attorney, who is well known in her field as a fierce advocate for older adults and their family caregivers. Listen as Carol discusses those important legal issues and documents with which caregivers and seniors need to be familiar.</i>
Monday, January 22nd	1:00 pm Eastern 12:00 pm Central 11:00 am Mountain 10:00 am Pacific	The Caregiver's Journey: Survival with Denise Carmichael and Yvonne Whitaker <i>Join in a conversation with two caregivers who have walked the journey as caregivers. They each have a different experience and perspective. They will talk about what they learned, what worked, and what they would do differently looking back. They will be answering questions and offering help and support. ***Sponsored by the North Central Texas Caregiver Teleconnection***</i>
Friday, January 26th	12:00 pm Eastern 11:00 am Central 11:00 am Mountain 10:00 am Pacific	Frontotemporal Degeneration: What it is, What it isn't and What are the Signs and Symptoms with Sharon Hall and Rebekah Wilson, MSW <i>This dementia is highly misunderstood, even in the medical community, and takes families up to 4 years to get a proper diagnosis. They will explain what signs show up first, how to get an accurate diagnosis, and what to do after you receive the diagnosis.</i>
