

**Care Connection for Aging Services  
“Engage at Every Age Award”  
Nomination Form**

Care Connection for Aging Services is seeking nominations for people in your area who exemplify this year’s theme for national Older Americans Month, “Engage at Every Age.” To meet the criteria, people 60 or older must live in a manner that exemplifies such engagement. Every May, Care Connection joins the national observance of Older American's Month. The 2018 theme, **Engage at Every Age**, emphasizes that you are never too old (or young) to take part in activities that can enrich your physical, mental, and emotional well-being. It also celebrates the many ways in which older adults make a difference in our communities -- participating in activities that promote mental and physical wellness, offering your wisdom and experience to the next generation, and seeking the mentorship of someone with more life experience than you. We will select one senior from each of the communities we serve for this recognition.

Please mail, fax or email the nomination form and letter to:
