

**Care Connection for Aging Services  
"2019 Outstanding Older Adult Award"  
Nomination Form**

Care Connection for Aging Services is seeking nominations for people in your community who exemplify this year's theme for national Older Americans Month, "Connect, Create, Contribute." The theme encourages older adults and their communities to:

- Connect with friends, family, and services that support participation.
- Create by engaging in activities that promote learning, health, and personal enrichment.
- Contribute time, talent, and life experience to benefit others. To meet the criteria, people 60 or older must live in a manner that exemplifies such engagement.

We are seeking nominations of individuals who excel at one or all of the above activities. We will select one senior from each of the communities we serve for this recognition. We are seeking nominations from the community at large.

Please mail, fax or email the nomination form and letter to:
