## Six Can Southwest Soup

- |  |                                      |
|--|--------------------------------------|
| 1 1/2 pounds hamburger or 2 cups cooked and shredded chicken breasts | 1 can kidney beans (undrained)       |
| 1 can shoepeg corn (undrained)                                       | 1 small can green chilis (undrained) |
| 1 can pinto beans (undrained)  | 1 can diced tomatoes (undrained)     |
| 1 can black beans (undrained)  | 1 pkg. taco seasoning                |
|  | 1 pkg. dry ranch dressing mix        |

Brown hamburger or cook and shred chicken. Add all of the other ingredients and bring to a boil. Can simmer to increase flavors or serve immediately.

Note: If you prefer a thinner soup, then drain and rinse the cans of beans. The water can also be varied to adjust the consistency of the soup to your preference.
