

Getting Started with

zoom

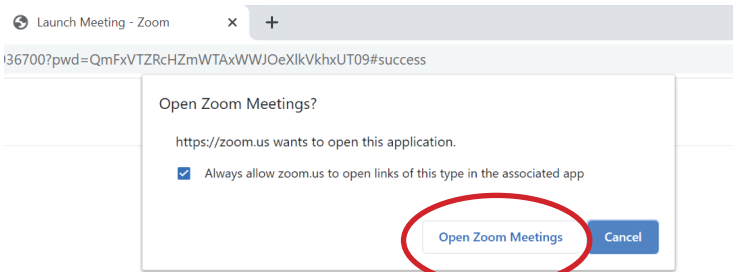

Want to join a class, but not sure about using Zoom? We can help! Follow the instructions below to start using Zoom today!

To sign up for your own free account, visit **zoom.us** and click the orange “Sign up, it’s free” button. A prompt will appear asking for your birthday. After that, you will be asked to enter your email address. You will then receive an email from Zoom (no-reply@zoom.us). In this email, click Activate Account. Then answer the prompts, and create a user name and password.

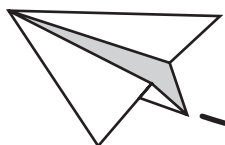

Once you have an account, you can join a meeting by clicking on the link you received in your meeting invitation email— after you register for a class. When you click on a link,

your browser will open and a dialog box will appear. Click “Open Zoom Meetings.” If the box does not appear, click “Launch Meeting” in the browser window.

Need more assistance? Send an email to **information@goaging.org** or Call **1-800-748-7826**. We can even do a trial Zoom session with you prior to attending class!

Click **Open Zoom Meetings** on the dialog shown by your browser
If you don't see a dialog, click **Launch Meeting** below
