Consider Honoring Others with a Gift in Memory

Did you know that gifts-in-memory and gifts-in-honor are a great way to help your local senior center? Making a charitable gift in tribute is a wonderful way to honor a milestone or commemorate the death of someone special to you. With a gift to your senior center, you'll also be helping to create positive aging experiences for older adults in our community.

If you'd like to help your local senior center and recognize a loved one, please include a note with your donation telling who the gift is in memory or honor of and providing the name and address of anyone you'd like us to notify. We'll send the person you choose a nice card letting them know of your generosity in making a gift in tribute, although we never disclose the amount of the gift. There is also space on our online donation form at www.goaging.org/donate/ to dedicate your gift in memory or honor of someone and tell us who to notify.

Your tribute gift in any amount will make a big difference at the senior center and show a special person you care. Please
